Information about entering events in 2020:

We have been monitoring the change in regulations in the current pandemic in Australia. With the easing of social distancing we thought we might be able to conduct events.

However in consultation with the general manager of our major venue for events in August, it became clear that the situation is such that we WILL NOT be able to conduct events in the venue.

We are as disappointed as our wonderful competitors to have to cancel The City of Penrith Eisteddfod Inc events for 2020.

BUT, at the moment, there is still a chance to be able to conduct the DANCE events in 2020. We will keep you posted and make a decision about the Dance towards the end of August 2020.

Looking forward to hosting many outstanding performers in 2021.

THANK YOU for supporting The City of Penrith Eisteddfod Society Inc
